

The Haunting of G. Kennedy

“Do you want to go to school today?” Chris asked as soon as he walked into the house of Lisa and Sam. “I am but Sam isn’t, he’s not feeling too well.” “What! But he was fine yesterday!” Chris said in surprise. “I know. I guess something just hit him” “But nobody’s sick that I know of!” Chris said wishing his friend could come. “Come on let’s go.” Lisa said shoving Chris out the door. “Why is Alaska so cold” Lisa and Chris said.

When they got to school, they realized their school was closed with a note on the door saying:

Dear students,

This school is obviously closed because of the simple fact that we were being haunted by a ghost last night at the conference. So we will not be opened back up until next month, Friday.

*Thank you,
YOUR PRINCIPAL.*

“That punk!” both Lisa and Chris said. “Yeah I know” a boy behind them said. When they turned around, there standing was brother and friend, Sam. “Hey I thought you were sick” said Lisa shocked her brother was there. “Yeah, me too! But then all of a sudden I didn’t feel sick any more.” “Well, that’s weird” both Lisa and Chris spoke again. As they finished they looked at each other and blushed. “Yeah that’s what I said. Anyway what’s going on” Sam said looking at the note behind them. “Our principal’s a punk” they both said again. “OK! You guys have got to stop doing that” Sam said walking into the school. Lisa and Chris followed in. “This place doesn’t actually look that bad” Chris said looking around. “It definitely doesn’t look haunted” Lisa said looking at Chris. “owww” they all said. Then everything went black. They were knocked out!

When they awoke they realized they were in a cold, light room. Were they in an igloo? Yes, yes they were. “My head hurts” Chris and Lisa. “Sam are you ok” Chris said crawling over to his friend. “Yeah what about you.” “what were you doing in my school” a weird voice came from Chris “Chris what are y...” “This is not Chris, this is Kennedy I own this school!” “G. Kennedy, OMG it’s a pleasure to meet you” Lisa said walking up to G. Kennedy in Chris’ body. “Get out of my face, DON’T TOUCH ME!” G. Kennedy said smacking Lisa in the face. “I’m sorry but you deserved that one, you don’t go up to the ghost” Sam said laughing going over to pick up his sister from the corner on the floor. “Oww you should fight him he hit me” Lisa said rubbing her face.

“Come on Chris you know me, Sam” “Sam is that you” Chris said coming back to his self. “Yep” “NOOOOOO!” G .Kennedy said coming out of Chris’ body. “Are you Ok” Lisa said running up to Chris. “Yea im fine” Chris said. “LETS GO I HEARD THE NEW McDouble was coming out today” Sam said. “What” Chris said. “You’ve never heard of a McDouble before” Lisa said “No” “WELL HURRY WE HAVE TO ET ONE IN YOU STAT!” “uhh ok? You need to stop hanging around Sam” Chris said laughing.
